WINTER 2025

Fruit.

- * Passion fruit prices are very REASONABLE.
- * All Melon prices are down, and seedless watermelon price will be fine this week.
- * Fresh local Finger Limes are in good supply
- * Pomegranates crops are excellent.
- * Grapes have now good supply from VIC expect prices to be stable.
- * Citrus fruit from QLD. S.A. NSW. And VIC Excellent and improving.
- * All Apples and corella, Packham, nashi Pears are easing.
- * Fresh Dragon fruit white and red will now slow in supply.
- * Fresh Valencia Oranges are excellent, and Lemonade fruit very soon.
- * Lime prices will continue to be at low prices.
- * Rhubarb is extra class.
- * Blueberries, and strawberry prices are improving, and Raspberries will remain low.
- * Stone fruits local season is now at the end USA fruit soon
- * Mandarins are sensational.

- * Lemon prices this week will be at excellent levels.

- * Green Pawpaw is a great option and green mangoes supply is increasing for green stock.
- * Imported Mangoes are available.
- * Avocado prices will be stable and will continue into next week.
- * Pineapples stock this week will remain at good levels.
- * Pink and Yellow grapefruit are down in price.
- * Fig prices will be high this week and will continue quality is also down.
- * Black berries are sensational, and prices are stable.
- * Growing region for strawberries will soon shift to Qld and some USA fruit also.

The winter season is in full swing so keep me informed of your needs for new stock to supply you and with any relevant issue that may confronted us over the next few weeks NB. The consistent weather recently has had an excellent effect on all produce supply and quality we are now coming out of an unstable environment and some lines will benefit greatly.

Vegetables

- * Shemiji, Oyster, baby Ilingi, will be in good supply and Brown mushrooms are improving in supply Extra Large Field Mushrooms. Direct access to VIC growers is sensational.
- * Heirloom radishes please enquire first as supply is consistent.
- * Regular iceberg and large Cos are up in price I have begun a new crop of Qld. Stock.
- * New season Kale, Tuscan, and new product red butter and baby red baby cos.
- * Hard produce prices for all pumpkins and all potatoes lines are low in price and will continue.
- * Snow peas, Peas prices will be up in price Sugar snaps will stabilize.
- * Zucchini flower supplies will slow over the next week and will continue further.
- * Long red chilli prices have jumped to high levels.
- * All hydro lettuces, baby cos heart supply is improving prices and will drop further.
- * Australian Asparagus crops will soon start in full swing, I will let you know when its close
- * Vine ripened trays and truss prices have risen quality is excellent and Roma's and Rounds have lowered in price.
- * Spring onions are very good in supply Shallots; Pickling Onions are beautiful, imported Black Garlic is still on.
- * Veg lines have eased in price such as Red Capsicums and will continue to be low in price, and yellow caps will still be high.
- * Chinese veg Hong Kong Choy Sum, Gai lum Sum, Mon Bok, On Choy will improve. .
- * Bean handpicked and Snake beans, Roman beans HAVE begun PRICES are reasonable and the QUALITY IS GOOD. Broad Beans soon.

New Loose Leaves 23 new varieties now available from our warehouse call me for info

- * BABY EURO LEAF MIXED SALAD PREPARED BY LEO DAILY MUST BE MADE TO ORDER BY LEO IS POSING A SMALL ISSUE REGARDING VARIETY OF LEAVES THIS WILL IMPROVE
- * Root veg e.g. Fennel baby only and Parsnips, Celeriac, Leek are coming in and numbers will continue.
- * Pencil leeks, Target Beets have improved in supply this week, large Golden Beets are in an easier situation.
- * Caulies prices are up in price this week and Eggplant are down in price.
- * Baby veg is better in supply and quality is excellent availability this week will continue improve as will Heirloom baby tomatoes.
- * English Spinach, Silver beet and now Rainbow chard, Finesse and Frieze heads are in good supply this week.

Herbs & Specialty.

- * Local seedless grapes are excellent.
- * All herb lines will be excellent this week into next week.
- * Heirloom tomatoes have risen to great numbers and variety levels are excellent.
- * Baby Heirlooms, Vine Ripened, Ox hearts prices are down in price I have improving supply of extra-large heirloom tomatoes.
- * Petite Bouche Exotic Leaves, please note I have an excellent supply of loose leaves.
- * Seedless Watermelon price, other melon varieties will be down in price except for Honey Dew, they are slightly up.
- * Baby herb lines are excellent, and all other herb lines are stable with the higher temperature weather.
- * Chinese veg quality and availability needs to be assessed daily though quality is reasonable.
- * Horseradish will be in better supply and the quality is really good.
- * Navel Oranges Ruby Grapefruit prices are very high
- * Fig price is high and availability is low season will begin again in the end of November and go well into March 2025
- * Heirloom baby Radishes are better in supply.
- * Cherry and grape tomatoes both loose and cherry truss prices are high.
- * All loose-leaf delicate lines will improve with moderate temperatures.

BLOOD ORANGES

ALL VARIETIES OF EGGPLANT

USA STONE FRUIT SOON

SENSATIONAL RAINBOW CHARD

JERUSALEM ARTICHOKES HAVE BEGUN

L. J. Parthenos and Son Pty Ltd

WINTER 2025

QUICK SNAPSHOT

Produce Projections for the next Period: Market produce will be affected in price by recent weather please make enquiries.

Raspberries are at better levels Strawberries and Blueberries are easing.

Tomato price will be at high levels and Roma tomatoes will be at high levels also.

Passion fruit is excellent, but price is still up slightly.

Lemon prices are DOWN, and navel Oranges, Pink Grapefruit and Pomelo supply is IMPROVING.

Handpicked Roman Beans high in price but the quality is good.

Improved quantity of root veg is available, all varieties are improving.

Stone fruit supply is from USA crops very good quality will advise daily on their expected arrival

Fresh Salsify EXCELLENT Horse radish is improving in availability.

Mushrooms crops are improving Swiss brown and Portobello are inconsistent and the Korean product is excellent and Chestnut variety is excellent, but Buttons are improving

Baby herbs are excellent quality this week even with current hot conditions.

All brushed Sebago Potatoes have jumped in price with regional Qld. growing areas have not started.

All red chillies this week will be a HIGH price for red colour and there is some 2nd grade.

Chats Cocktail potatoes are reasonable for good Sth Australian produce.

Herb produce lines pricing will reflect the better weather moving in

LEO'S TOP BUYING FOR JULY 2025

THE FOLLOWING ITEMS ARE TO BE CONSIDERED

- PLUMS STILL HANGING ON
- ENGLISH SPINACH AND SILVER BEET QUALITY AND PRICES ARE EXCELLENT
- EXCELLENT SUPPLY OF CITRUS FRUIT, NAVELS, VALENCIA, MANDARINS, GRAPEFRUIT
- MOST ROOT VEGE LINES, EG. GOLD BEETS HAVE SLIGHTLY IMPROVED IN SUPPLY.
- GREEN MANGOES ARE IN BETTER SUPPLY AND ARE EXCELLENT
- EXTRA CLASS LOCAL SUPPLY AUSTRALIAN GARLIC HAS BEGUN

ALL VARIETIES OF APPLES ARE GOOD, NEW SEASON WINTER VARIETIES HEAR NOW.

- EDIBLE FLOWERS WILL STRUGGLE WITH THE SUDDEN COLD
- FIGS ARE UP IN PRICE WITH FRUIT WITH LOW SUPPLY
- EXTRA CLASS HEIRLOOM CHERRY TOMATOES AND BLACK ZEBERINOS VARIETIES PRICES ARE HIGH AND LOW SUPPLY ATM.
- SPECIAL LETTUCE AND LOOSE-LEAF LINES MUST BE LOOKED AT DAILY.
- LEBANESE CUE AND BABY CUES ARE DROPPING IN PRICE. ALSO, VARIETIES OF ASIAN PRODUCE WILL SLOW IN SUPPLY DUE TO RECENT LOW TEMPERATURES ENQUIRE DAILY.
- TOP QUALITY NEW SEASON PRODUCTS ARE AVAILABLE PLEASE CALL ASAP
- LARGE FENNEL IS IMPROVING THIS WEEK BABY IS EXCELLENT.
- CHEAP LINES LIMES, IN STOCK THIS WEEK. YUZU FRUIT HAS BEGUN AND IS EXCELLENT
- SOME PRODUCT PRICES HAVE BEEN DRIVEN DOWN DUE TO LOW DEMAND

N.B. ALL CITRUS WILL BE FROM AUSTRALIAN GROWING REGIONS THIS WEEK

LEO'S CRITICAL ISSUES FOR WINTER 2024

PLEASE CALL ME REGARDING THE FOLLOWING ITEMS LISTED BELOW

- Baby Fennel will be better in supply, baby root veg's, including heirloom carrots will improve.
- Prices for WINTER baby veg this week will be GREAT for this week.
- Tomatoes prices for roma will be HIGH for coloured fruit.
- Zucchini flowers are slowing, and actual zucchinis are down in price.
- Local leaf produce is slowly finding its way through, weather was moderate.
- All Pears are sensational.
- Roman Beans continuing to be better and will be high in price this week.
- Broccolini supply will be high this week and Broccoli prices have DROPPED considerably.
- Fig AVAILABILITY IS LOW FOR NEXT WEEK SEASON NEARLY DONE.
- Asparagus Green supply is low price this week will be high
- Leek prices have stabilised in price.
- Cavolo Nero, Mizuna, Red Vein Sorrel, has improved this week.
- All citrus lines will be reasonable, and lemons will continue to be down for the rest of MAY INTO JUNE 2024
- All red coloured chillies jumped in price this week, long greens are DOWN in price.
- Celery Leeks, and Caps are DOWN in pricing AS WELL AS cauliflower in price.
- Butternut Pumpkin excellent quality as is Regular Jap and Qld the price is DOWN.
- Strawberries prices are HIGH, and Blueberries, prices are also HIGH in price
- Blackberries and Raspberries prices are down in price

This week's considerations for the following: Be cautious conditions in all growing regions with WINTER season slow to begin.

-
- Avocado numbers are increasing, and prices are stable refer all sales to me directly.
- Most veg prices stabilised.
- Lemon price levels will be down again this week.
- Grapes are outstanding the price levels are good, fruit from VIC.
- Loose leaf produce is EXCELLENT.
- Cos and Iceberg lettuce quality is good but prices will be HIGH.
- Edible flowers supply this week and next week will struggle.
- Herb lines this month will be struggling as weather temperatures drop.
Some Autumn Fruit lines will now begin, Call me please.
- Some Autumn Veg especially, produce from the QLD regions will come to Sydney.
- Bananas are reasonable in price be very cautious when ordering.
- SENSATIONAL NEW SEASON AUTUMN PRODUCE NOW AVAILABLE.

Consider these items also for this week.

ALL STRAWBERRIES

YELLOW AND GREEN BEANS ARE IMPROVING
